## Unit 12 — English for Nursing II

2025 Medical English Online Course. All rights

### **Complications**

a secondary disease or condition which aggravates an existing condition "She was re-admitted to (the) hospital after complications set in."

#### Convalescent

a person who is recovering after a serious accident or injury

"Convalescents usually prefer to be cared for at home rather than in a hospital."

#### **Devise**

to create, design or invent a plan

"When devising a treatment plan, take into account the patient's current symptoms and medical history."
