Accommodate

to have consideration for

"The hospital banned peanuts in order to accommodate people with allergies."

AS (Asperger's syndrome)

a disorder characterized by difficulties in social interaction and restricted patterns of behavior and interests

"The exact cause of Asperger's is unknown and there is no approved medication for it."

ADHD (Attention deficit hyperactivity disorder)

the common term for an illness characterized by lack of focus and impulsive behavior

"ADHD is often harder to diagnose in girls because the symptoms can be more subtle."
