Braces

a set of wires worn on teeth to push them into the correct position

"I noticed gaps between my son's teeth and I think he might need braces."

Bridge

a fixed dental appliance, anchored to the surrounding teeth, used to replace one or more missing teeth

"A prosthetic replacement of one or more missing teeth is called a bridge."

Cavity

a hole in a tooth caused by decay

"I went to the dentist for a check-up and he noticed two cavities that have to be filled."
