

# Unit 11 — English For Nursing I

## **Administer**

to apply, or give as a remedy

"The paramedic administered basic first aid, but it wasn't enough to save the patient."

## **Admission**

the act of being received into a place, such as a hospital or a university

"After the patient's admission, he was taken to the operating room."

## **Assist**

to help, or to give aid to someone

"Could you assist me in restraining the patient?"
